|| Shri Digvijaya Ramo Vijayate ||

Education has changed the employment landscape of modern India in the last decade resulting in increased opportunities and better financial situation. However, education is becoming increasingly unaffordable for the common man.

The reason for this is monetary handicap; money has become a wall between a student and education. Starting from primary school right up to highest levels, there is need for money at every stage.

The dreams of a poor student who aspires to become a doctor or an Engineer are withering away. That too, the present situation of intelligent but poor and needy student is highly miserable as cost of primary and higher education has gone up by 300% in last 10 years.

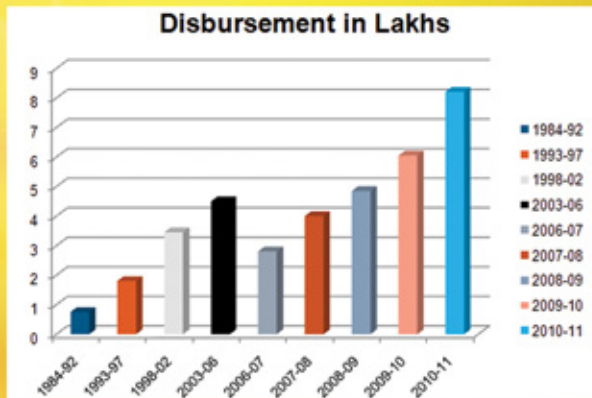

The poor student is caught in this vicious cycle and is languishing in a hopeless situation.

Realizing this unfortunate situation, His Holiness **Shri 1008 Shri Satyapramoda Teertha Swamiji** established in 1984 a Corpus Fund named "**Jaya Satya Pramoda Nidhi** (Social services wing of Shri Uttaradi Math)", for uplifting poor and needy students.. Since then, every year more than hundreds of students have received financial assistance through this fund by the blessings of current pontiff of Shri Uttaradi Math **Shri 1008 Satyatma Teertha Swamiji**.

In the year 2005, Shri Swamiji decided to give it a renewed shape considering the changing times and new developments in the educational fees & increasing spend.

Following is the glimpse of amount disbursed over the years...

Year	Amount
1984-92	75,000
1993-97	1,80,000
1998-02	3,45,000
2003-06	4,50,000
2006-07	2,80,000
2007-08	4,00,000
2008-09	4,85,000
2009-10	6,05,000
2010-11	8,21,000
